

LANDBELL GROUP

LANDBELL GROUP is an international supplier of service and consulting solutions for environmental and chemical compliance. We have 25,000 customers in over 30 countries and are present on four continents. We employ over 250 people worldwide. It is our aim to reduce the complexity of extended producer responsibility legislation, as well as product- and packaging-related requirements for producers and distributors. In everything we do, we seek to provide our customers with the most competitive solutions – in terms of service quality, compliance and cost.
