

LANDBELL GROUP is an international supplier of service and consulting solutions for environmental and chemical compliance. We have 25,000 customers in over 30 countries and are present on four continents. We employ over 250 people worldwide. It is our aim to reduce the complexity of extended producer responsibility legislation, as well as product- and packaging-related requirements for producers and distributors. In everything we do, we seek to provide our customers with the most competitive solutions – in terms of service quality, compliance and cost.

PRODIGENTIA IS CURRENTLY SEEKING TO FILL THE FOLLOWING POSITION

PRODUCT OWNER/ PROJECT MANAGER (m/f/d)

FULLTIME // LOCATED IN LISBON, MAINZ OR MUNICH
ENTRY AS SOON AS POSSIBLE

LANDBELL GROUP is a leading supplier of Environmental Compliance Services. Circul8, the home of Circular Economy Efficiency, is the comprehensive software backbone behind all these services. If you are both, technology-driven and passionate about actively driving products on world-class level, we are looking exactly for you to join our global software engineering team. We are currently looking for an experienced Project Manager, who specializes in “living and breathing” one of our flagship products on one hand side, and takes on related implementation projects in parallel. In a nutshell, this position is a unique combination of entrepreneurial as well as structural management activities.

IF YOU ARE

- // An experienced Project Manager
- // Strong in managing relationships with customers and stakeholders
- // Able to think in structured solutions
- // Familiar with agile production methodologies
- // Willing to design and evangelize the vision for our product
- // A “Go-to-market person”
- // Knowledgeable in Software Development Lifecycle Management
- // A pro-active hands-on Team Player
- // Fluent in spoken and written English language

WE INVITE YOU TO

- // Live and breathe our product vision
- // Add your personal flavor to it and drive it to the next level

- // Help our international clients defining and implement value-adding solutions
- // Filter and structure requirements
- // Own product roadmap backlog
- // Prioritize development efforts
- // Monitor the competitive software landscape

JOIN US IN

- // A fast-growing environment
- // One of our brand-new offices
- // International working atmosphere in a motivated team
- // The Leading Group of Circular Economy Engineering

Qualified candidates should send a CV and cover letter to:
